Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

Lulu.com, United States, 2014. Paperback. Condition: New. Language: English. Brand new Book. Are you a scientist? Are you Chinese? Do you dread writing papers in English? If so, this book is just for you. Scientific Writing for Chinese Researchers is specially designed for young Chinese scientists (particularly graduate students) who need to write papers in English. It will give you a firm understanding of the fundamental principles of successful scientific writing, help you solve specific problems with grammar and style, and build your mathematical and scientific vocabulary in English. The author's experience as a physicist and mathematician and as an editor and teacher at the Chinese Academy of Sciences uniquely enables him to help Chinese researchers publish their work in international journals.
